

BID Clifton Village
BUSINESS IMPROVEMENT DISTRICT

Invites You To:

A quintessentially British drinks reception at the iconic Clifton Club to mark the launch of our new website, Discover Clifton Village.

The site will officially go live in a short presentation by our creative designers Green Chameleon, who have created a fantastic business directory for all BID members to be a part of.

This is a great opportunity to see how your business can feature on the platform, which we hope will lead to greater footfall and spend in the village.

Tuesday 16th September 2014

6pm-8pm. All welcome.
